Uniden's 1.8GHz DECT Digital cordless phones are versatile and equipped with Uniden's Unique V-Quad Technology. V-Quad technology is a 4-Way Voice Enhancer only available in Uniden DECT Models which allows you to choose from 4 Different Audio Level Settings (Normal, Bass, Alto, Treble) to Provide a Natural Voice Enhancer for Superior Clarity and Performance.

The DECT 1855 has an integrated Digital Answering Machine so you don't miss any of those important calls. If you are away from home it even allows you to remotely check your messages from any remote location.The DECT 1855 has a Backlit Orange Advanced LCD and Caller ID Display which allows for easy viewing. The cordless phone is contemporary in design and would look great in almost any home setting. This phone is multi handset capable, allowing up to 6 handsets to be connected to just one phone socket. The Digital Duplex Speakerphone on the handset makes handsfree communication a breeze.

The DECT 1855 comes with easy menu navigation, long talk time of 16 hours and polyphonic ringtones. The cordless phone also doubles as a baby / room monitor and is equipped with a calender with programmable reminders letting you know when that important meeting or birthday is coming up. Uniden quality and performance make the DECT 1855 an outstanding DECT choice.

Suggested Retail: $119.
The DECT 1820 is an additional handset and charging base only. Suggested Retail: $69
